"Your needs are great and varied. Each of you is a unique child of God... God knows you individually. He sends messages of encouragement, correction, and direction fitted to you and to your needs"

President Henry B. Eyring

Prepare for General Conference.

As members of the Church, we've been taught to expect personal revelation during general conference.

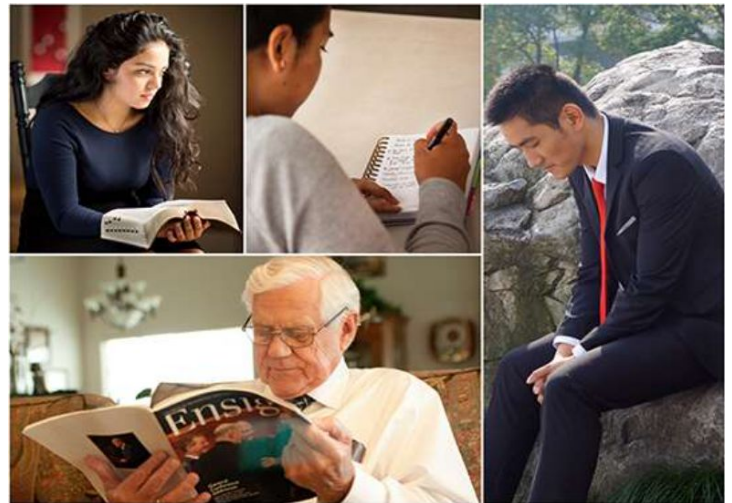

What can we do now to better prepare personally to receive the guidance and inspiration the Lord has specifically in mind for each of us? Living prophets and apostles suggest we:

- Review past general conference messages.
- Ponder questions you need answers to in your life.
- Prepare as the prophets do.
- Plan to listen with intent, then go and do.

"We prepare to receive personal revelation as the prophets do," Elder Robert D. Hales teaches, "by studying the scriptures, fasting, praying, and building faith. Faith is the key."
