In a world so much in need of peace, our gentle words, our acts of compassion and kindness can be the means of wrapping another in a warm, swaddling blanket. I have come to understand that the more we act on promptings to serve others, the more heavenly blankets the Lord gives us to share. What promptings have you received? Who do you know that is in need of a heavenly hug? Our personal or virtual touch may make all the difference in the life of a loved one or even a stranger.

Ward Announcements

- **SafeWA App**

It is a WA government requirement that as a church we maintain a contact register for the purposes of WA Health Department COVID-19 contact tracing. This can be done by a physical register which is located at the entry point of our building or by using the SafeWA app and scanning the QR code.

- **Hamper Donations**

Christmas hamper donation box is in the foyer for those wishing to donate non perishables.

- **Youth Fundraiser - Online Auction.** Has ended. Those who have won bids will receive an email this week.

- **Stake Presidency Temple Recommend Interviews.** The stake is still running interviews. The preferred method is via zoom. If that is not suitable other arrangements can be made. We encourage all those able to hold a temple recommended to do so in preparation for when the temple reopens.
