

24th March 2020

Dear Greenmount Ward Members,

In these unprecedented times, our usual way of conducting ward business has temporarily changed.

The Area Presidency has given us the following instruction regarding calling and releasing members:

“As needed, calling, sustaining and setting apart members can continue as needed. With no meetings taking place, changes should be minimal. If a change is needed, the call can be extended via the best and safest means available. Where possible, announce the call on the ward webpage, set the person apart and ratify the call by sustaining vote when the ward meets together again.”

Under the above instruction, we would like to announce the following ward business:

We have released:

Sister Alex McIlwaine, as Ward Relief Society President
Sister Belinda King, as 1st Counselor Relief Society Presidency
Sister Ineke Lentz-Reid, as 2nd Counselor Relief Society Presidency

Sister Nicolette & Brother Sione Punaivaha as Ward YSA Advisers
Sister Naomi Holder as a Primary Teacher (Nursery)

We have called:

Sister Nicolette Punaivaha as Ward Relief Society President
Sister Belinda King, as 1st Counselor Relief Society Presidency
Sister Ineke Lentz-Reid, as 2nd Counselor Relief Society Presidency
Sister Naomi Holder as Relief Society Secretary

Sister Meshia & Brother Brook Desmond as Ward YSA Advisers

The above business will be ratified when we all meet together again.
